

AHMED FARAZ MALIK

AI Engineer

Islamabad, Pakistan | 📞 +92 315 1512720 | ✉ 721ahmedfarazmalik@gmail.com | [LinkedIn](#) | [GitHub](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

BS Information Technology graduate with practical experience building AI applications using LLMs and RAG. I work mainly with Python, Flask, and REST APIs, and have experience deploying web applications. Currently looking for an AI/ML internship where I can grow my skills, work with an experienced team, and contribute to real-world projects.

TECHNICAL SKILLS

Languages: Python, JavaScript

AI/ML: Generative AI, LLMs, RAG, Embeddings, Vector Search, Sentence Transformers

Backend: Flask, FastAPI, REST APIs

Databases: PostgreSQL, MySQL, MongoDB

Tools: Docker, Git, GitHub

PROJECTS

BloodLink — Blood Donation Platform | *Python, Flask, PostgreSQL, RAG*

- Developed a web-based blood donation platform for donor discovery and donor management.
- Implemented secure donor and admin dashboards with availability management and an AI-powered RAG assistant for user support.

RAG-Powered Document Q&A Assistant | *Python, Flask, FAISS, Sentence Transformers*

- Built a document question-answering application using RAG, Sentence Transformers embeddings, and FAISS vector search.
- Implemented context-based responses from uploaded documents with document selection and source/page references.

AI YouTube Video Summarizer | *Python, Flask, JavaScript, Gemini API*

- Developed an AI web application that processes YouTube transcripts and generates structured summaries and key points using an LLM.
- Added multilingual support, adjustable summary length, and TXT/PDF/Word export with live deployment.

Fake Product Identification Using Blockchain — Final Year Project | *Solidity, Ethereum, Python, Flask, MySQL*

- Developed a blockchain-based product authentication system using SHA-256 hashing and QR codes to verify product authenticity.
- Implemented smart contracts for product and seller registration with blockchain-based verification and off-chain data storage.

EDUCATION

BS Information Technology, National University of Modern Languages (NUML), Islamabad |

2022 – 2026
